

Native Wildflower Garden Kits

SUNNY BUTTERFLYWAY/POLLINATOR KIT

- _ \$40 each plus tax
- _ A tray of 10 native wildflowers in 10cm (4") pots
- _ Species will vary throughout the season
- _ Plants specially chosen because they:
 - ❖ Are hardy, beautiful and perennial
 - ❖ Provide pollen and nectar to bees and butterflies and hummingbirds
 - ❖ Are larval host plants and part of a varied and healthy ecosystem
 - ❖ Provide a variety of blooms, foliage and colour in spring, summer and fall

Each Sunny Butterflyway/Pollinator Kit Contains a selection of plants, examples of which are:

- Wild Bergamot
- Milkweed (Common, Butterfly, Prairie or Swamp)
- Black Eyed Susan
- Vervain (Hoary or Blue)
- Blazing Star (Cylindric or Dense)
- Aster (Smooth, Sky Blue, New England, Flat topped white, Large Leaved, Heath)
- Goldenrod (Upland White, Stiff, or Grey, Blue Stemmed, Grass leaved)
- Blue Eyed Grass Prairie Smoke Wild Strawberry
- Other beautiful species
