

Native Wildflower Garden Kits

SWALLOWTAIL KIT

A kit of native wildflowers, shrubs and non-native herbs for \$40 (plus hst)

Plants specially chosen because they:

- ❖ Are larval host plants for our local butterflies, e.g., Hop Tree for Giant Swallowtail and the herbs for the Easter Tiger Swallowtail

Eastern Tiger Swallowtail (*Papilio glaucus*)

Giant Swallowtail (*Papilio cresphontes*)

Each Swallowtail Kit Contains:

- 1 Hop Tree (*Ptelea trifoliata*)
- 2 Golden Alexander (*Zizia aurea*)
- 2 (non-native) Dill
- 2 (non-native) Fennel

Species may vary throughout the season depending on availability
